RE: Docket No. 04-00434 – Wastewater Forum

Dear County Mayor:

We recently sent you a letter requesting certain information regarding any bonding requirements that your county imposes on wastewater companies operating (or planning to operate) within your county's geographical boundaries and asked that you respond by April 15, 2005. As of this date, we have not received a response from your county. Attached you will find a copy of the original request.

We do need your input. The Tennessee Regulatory Authority will be developing regulations that will establish a bond or other security to be posted by a regulated public utility providing wastewater service or for a particular project.

Please provide your response to this request no later than 2:00 P.M. on Monday, May 9, 2005 and reference the above docket number in your response. Should you have questions regarding any item number on the attached request, please contact Ron Graham at 1-800-342-8359, ext. 164 for clarification before responding.

Sincerely,

S. J. Foster for Darlene Standley
